

## Course description

## Ink Jet Training

# Large Character Marking

### **Videojet and Marsh Large Character Printer/Case Coder Training**

Videojet offers a number of training courses designed to help you optimize the performance of your large character/box coding equipment.

#### **Courses are available for these large character printers:**

- ♦ **Videojet 2300 Series**
- ♦ **Videojet 2120**
- ♦ **PatronPlus**
- ♦ **Unicorn**
- ♦ **Marsh 8000**

#### **Flexible locations**

Choose to host the training at your production facility or attend courses at one of Videojet's corporate training centers. Each class is facilitated by a Videojet full-time training professional. All courses incorporate maximum hands-on learning and formal testing.

### **Course levels**

Both introductory and advanced courses are available. Partner with Videojet to select the most suitable option based upon your needs and the level of experience of your maintenance team.

### **Course curriculum typically includes:**

- ✓ Safety
- ✓ Printer operation
- ✓ Printer theory and diagnostics
- ✓ Message programming including CLARISOFT
- ✓ Keys to successful self-maintenance
  - ✓ Attaining and maintaining high-quality print
  - ✓ Printer optimization; maximizing uptime
- ✓ Troubleshooting and corrective maintenance
- ✓ Production area review and assessment (when training takes place at your location)

Course topics are customizable upon request.
